

**Air Compressor**  
**Model: ZC-QC001D**

**Specification:**

Rated power	2.5kW ,3Hp and 230v motor
Twin cylinder belt slow running pump.	
Tank capacity	100 litre
Start method	13A
Wheel	4 Drive Belt
Tank material	Steel
Pressor	8bar
Pump (RPM )	1000
Motor speed (RPM )	2100
Air displacement	300liter per minute
Included twin pressure gauges, cut out switch .safety valve and pressure regulator.	
Productivity	200 l/min
