Copper nickel-plated drain valve, anti-oxidation, corrosion-resistant.

M10 adapter for motorcycles, M12 M14 M18 adapter for motor vehicles.

Display Unit: PSI, BAR, KPA, Kg/cm²,

Technical Specifications:

Pressure gauges with rubber protection
Pressure gauge diameter: 71 mm
Test pressure: Up to 14 bar / 200 psi
Resolution: 0.05BAR/0.5PSI
4 Adapters: M10x1.0mm, M12x1.25mm, M14x1.25mm, M18X1.5mm
Hose length: 430 mm/16.93 in
Pressure tube length: 150 mm/5.91 in
Angled pressure tube length: 160 mm/6.3 in
Power Supply: 2 * AAA Battery
Package should include: 1 X Compression tester, 1 X Hose, 4 X Adapter, 2 X Pressure pipe
